>> Your smart. Your style.

Genuine accessories for a distinctive look.

Urban mobility thrives on individuality, spontaneity and variety. The range of accessories for your smart is just as varied as life in the city: from practical details to attractive highlights, technical treats or sporty ambitions – the extensive range of genuine accessories for smart and BRABUS will meet your every need in style. Your smart center is pleased to help you.

01 Interior

Coolbag

For cool drinks in a smart design. The coolbag with a fabric covering can be connected to the 12 V socket and has a capacity of 12 litres. An optional power converter is available for the coolbag for use at a home on a 230 V socket.

Luggage compartment management system

The order of the day. Thanks to the flexible luggage compartment management system with slot-in sections, the luggage compartment can be partitioned as required. Shopping can be secured in place with an elastic strap and a shopping (trolley) bag.

Protective divider plus incl. luggage compartment cover

The clever 2-in-1 solution combines flexibility and safety: thanks to the safety net and integrated luggage compartment cover, you can always make the most of the luggage compartment.

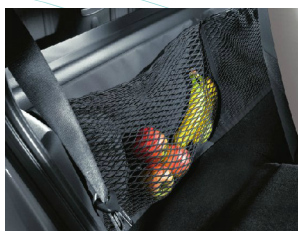

Net set for luggage compartment

One net on the side wall and another on the floor of the luggage compartment secure loose items quickly and safely – quite simply practical.

Retractable luggage compartment cover incl. net bag

Offers protection from prying eyes and keeps cargo securely in the luggage compartment. Straightforward to attach and simple to operate with one hand. The integrated net bag for small items can be easily reached from the passenger compartment.

Boot tray

The waterproof, non-slip material protects the luggage compartment lining from wet, dirt and wear. Thanks to a Velcro fastener the tray can be easily removed at any time.

Cabrio wind deflector

Largely eliminates wind turbulence during open-top driving by preventing strong air flows throughout the interior - making open-top driving a real pleasure, even when outside temperatures are low.

Centre armrest

Even greater comfort, especially on long journeys. Simple to fold up.

Luggage fastener

The foam-filled, elastic nylon snake adapts perfectly to the shape of the luggage and can be secured with a Velcro fastener, ensuring that everything remains securely in place during braking and cornering.

Seat covers, set of 2

Optimised for your smart in terms of shape and design, they are not only stylish but also offer real protection: no more marks on the driver and passenger seats. In addition, the pockets on the rear of the backrest and to the footwell offer practical storage space.

Velour floor mats, set of 2

A high-quality, hard-wearing highlight, these mats fit perfectly in the footwell and harmonise with all interior colours. Made of firm yet soft velour carpet with the smart logo and tone-in-tone edging.

Ribbed floor mats, set of 2

The needle felt ribbed floor mats are tough, yet create a pleasant, almost homely ambience. With smart logo and tone-in-tone edging.

All-weather floor mats, set of 2

Made of dirt- and water-resistant rubber, these non-slip mats protect the carpet and are easy to clean. Needless to say, their shape and design are a perfect match for the interior of the vehicle. With embossed smart logo.

All floor mats have a secure fastening on the driver's side.

Rubber mats for stowage compartments, set of 3

The set consisting of three elements provides a quiet and non-slip surface for items in the stowage compartments and additionally enhances the appearance (Prerequisite: left-hand drive vehicle).

Door sills, set of 2

Create a good first impression: extra elegance greets smart drivers and passengers as soon as they open the door. The smart lettering is embossed in brushed aluminium.

**Set of bags for stowage compartments**

Practical set consisting of a cockpit bag made to measure for the large stowage compartment (with cable aperture for the smart MP3 interface) and a folding shopping bag for the small stowage compartment on the driver's side.

Cup holder

Securely holds two cups, cans or bottles of different sizes. In addition, larger bottles can be held in place with a folding holder beside the centre console.

Smoker's kit

Consists of a cigarette lighter and a fold-out ashtray. The ashtray is simple to remove for emptying.

CD holder, for 6 CDs

Holds up to six CDs safely and securely. The CD holder is located in direct reach of the driver and passenger. Simply unclip it and you can take your CDs with you wherever you go.

Spectacles compartment

The plastic compartment has a magnetic closing mechanism to prevent glasses from falling out. Within easy reach of the driver.

Design 6

Design 1

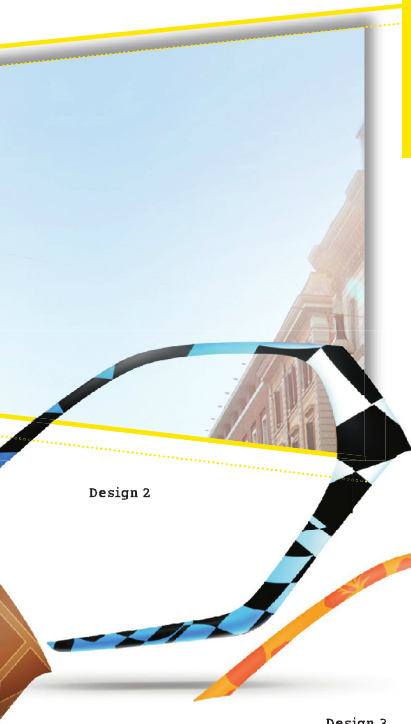

02 Exterior

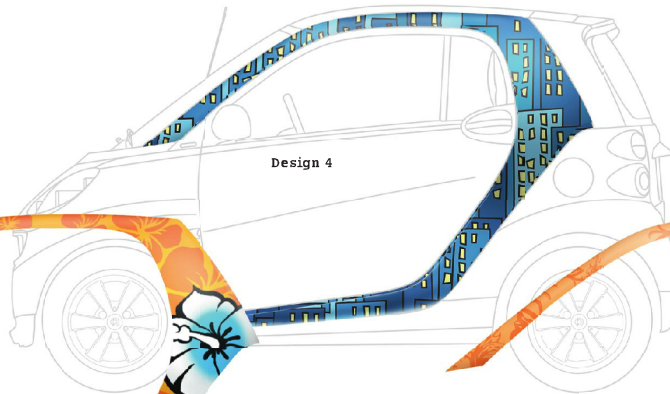

smart design sticker

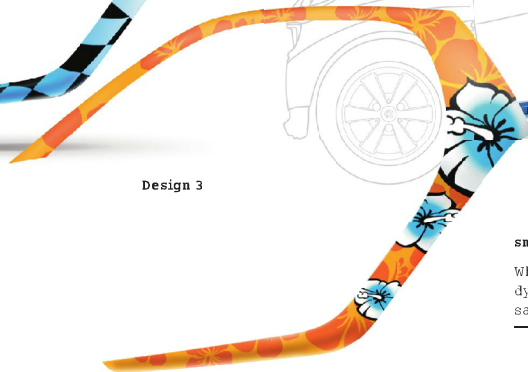

In black (not shown) or silver, horizontal or vertical, with one or several numbers - when it comes to making your smart even more individual, the choice is yours. Easy to apply, non-fading and car-wash proof.

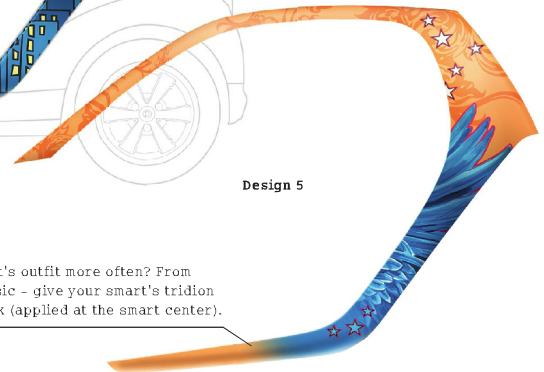

Design 2

Design 4

Design 3

Design 5

smart art sticker

Why not change your smart's outfit more often? From dynamic to playful or classic - give your smart's tridion safety cell a whole new look (applied at the smart center).

Bicycle rack

(Shown with basic rack). Simple to fit to the basic rack. The bicycle is then inserted into the rack system and secured with the lockable frame holder. And an additional bicycle rack is available to transport a second bicycle.

**Basic rack**

Versatile: various rack systems can be fitted for transporting different kinds of sporting equipment. Convenient: the rear window can be opened even when the rack is loaded.

Cape car cover

The hard-wearing, water-repellent material and the perfect fit combine to protect your smart fortwo from the elements, extreme temperatures and dirt – the "garage-to-go" for your car.

**Ski and snowboard rack**

(Shown with basic rack). Choose between a ski rack and a snowboard rack – or simply combine them (see picture). Individually the racks have enough room for two pairs of skis or two snowboards. When both racks are combined you can transport two pairs of skis and one snowboard.

Chrome elements

Small details that make a big difference. The door mirror caps (set of 2), door handle recesses (set of 2) and the tailgate trim made of high-gloss chrome lend your smart fortwo an elegant look. All products are available individually.

Mud flaps, set of 2

Protect the sidewalls, rear and underbody against dirt and scratches and also protect traffic behind you from road spray and chip damage. Tailored to the contours of the vehicle, retaining the sporty and compact look.

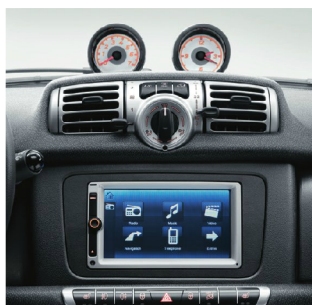

03 Audio/telematics Functional/ electrical equipment

MediaNavigationCenter

Navigation, hands-free calls and music player – the integrated and theft-protected (PIN) MediaNavigationCenter with a 15.5 cm LCD touchscreen can do it all. The integrated map navigation system guides you safely through Europe with voice prompts in 18 languages. Maps can be displayed in either 2D or 3D format. The navigation system is equipped with an integrated TMC tuner for traffic jam avoidance. A hands-free system with an integrated Bluetooth® module, an integrated CD/DVD drive, a USB/iPod® interface and an AUX input round off the entertainment options. The power output is music to the ears: 4 x 50 Watt.

Audio system basic

RDS radio, with AUX and USB interfaces – the audio system basic sets the tone.

Audio system navigation/multimedia

This audio system is a real all-rounder. An intuitive 16.5 cm touchscreen with slide-down mechanism and a CD/DVD player are supplemented by practical state-of-the-art functions: navigation system with perspective map display, Bluetooth® hands-free system, various interfaces and much more.

MediaNavigationCenter (Product text on page 15). Product was photographed in a smart BRABUS.

iPod® integration kit for the smart Bluetooth® hands-free system*

Your iPod® is connected to your hands-free system via the interface in the glove compartment and controlled with the click wheel controller. The familiar iPod® menu navigation on the display of the hands-free system is simple and straightforward to use, which means that you'll use your iPod® on even the shortest journeys.

smart Bluetooth® hands-free system*

The smart Bluetooth® hands-free system in the smart design is a real multitalent. The fully integrated system with a wireless controller on the centre console and an unobtrusively positioned microphone enables high-quality voice and sound output via the vehicle's loudspeakers. With user-friendly features such as simple voice control, convenient transfer of contact data via Bluetooth® and text message display and read-aloud function. Music played via Bluetooth® audio streaming or via the optional iPod® integration kit round off the extensive scope of functions.

Subwoofer

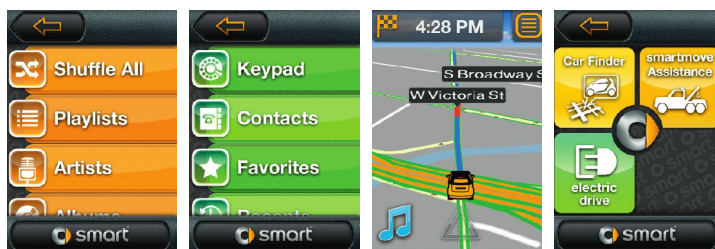

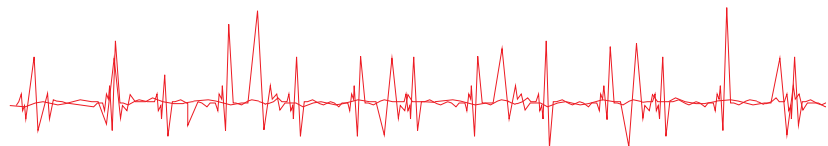

(Not shown) Active subwoofer with integrated 2-channel amplifier gives the loudspeakers a powerful bass boost. Invisibly integrated, it is the icing on the cake of the smart sound system.

Accessories for sound system

Perfectly tuned to all smart audio systems and interior acoustics, creating a fuller hi-fi sound thanks to two tweeters and mid-range speakers, with the option of adding a subwoofer.

* Product was photographed in a smart BRABUS.

smart drive kit for the iPhone®

State-of-the-art functionality: cradle + app = smart drive kit for the iPhone®. The cradle gives you important and convenient features such as a charging function for your iPhone®, radio muting during phone calls, phone calls via Bluetooth® and sound output via the vehicle's loudspeakers. The smart drive app for the iPhone® is the perfect complement. Download it from the app store and it will turn your iPhone® into a full online information and multimedia system. Listen to the music of your choice via web radio or iPhone®, enjoy the convenience of a hands-free system and navigate safely: if you buy the navigation upgrade for the app your iPhone® will become a navigation system – including text-to-speech and reading aloud of street names. Very convenient: thanks to extra-large display buttons all functions are simple and safe to use.

As things stand today both the cradle and the app are available in the following countries: Germany, Austria, Switzerland, France, Italy, Portugal, USA, Canada. Further countries are planned.

Please also read the information/footnotes on pages 36 to 39.

3-spoke leather sports steering wheel, with steering wheel gearshift

Covered with fine leather - that's how a steering wheel should be. The shift paddles allow smart drivers to shift gears Formula 1-style as well as increasing safety, because both hands remain on the wheel when changing gear.

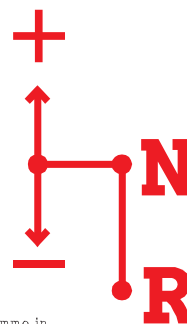

Two-tone horn

(Not shown) Gets the message across loud and clear in every situation!

softouch, hardware

The automatic gear programme in addition to the 5-speed manual transmission provides for extra comfort in city traffic. You can switch between manual and automatic mode at the touch of a button.

Dashboard instruments

Fuel-efficient yet always on time: the cockpit clock and rev counter keep you informed - and give your smart its typical look. Both can be swivelled for optimum visibility.

04 Driving dynamics Safety

6-spoke alloy wheels

38.1 cm (15"), **design 3**, set,
for front tyres: 175/55 R15;
rear tyres: 195/50 R15.

9-spoke alloy wheels

38.1 cm (15"), **design 2**, set,
for front tyres: 155/60 R15;
rear tyres: 175/55 R15.

9-spoke alloy wheel

38.1 cm (15"), **design 10**, 1 wheel,
for front tyres: 155/60 R15; rear
tyres: 175/55 R15.

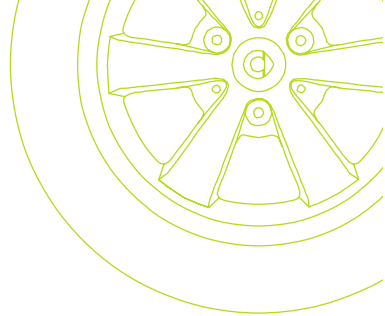

12-spoke alloy wheels

38.1 cm (15"), **design 1**, set,
for front tyres: 155/60 R15;
rear tyres: 175/55 R15.

5-spoke alloy wheel

40.6 cm (16"), **design 11**, 1 wheel,
for front tyres: 175/50 R16; rear
tyres: 215/40 R16.

3-double-spoke alloy wheel

38.1 cm (15"), **design 8**, 1 wheel, for front tyres: 175/55 R15; rear tyres: 195/50 R15.

3-double-spoke alloy wheel

38.1 cm (15"), **design 9**, 1 wheel, for front tyres: 175/55 R15; rear tyres: 195/50 R15.

12-spoke alloy wheel

38.1 cm (15"), **design 7**, 1 wheel, for front tyres: 155/60 R15; rear tyres: 175/55 R15.

6-spoke alloy wheels

38.1 cm (15"), **design 5**, set,
for front tyres: 175/55 R15;
rear tyres: 195/50 R15.

6-spoke alloy wheels

38.1 cm (15"), **design 5 chrome look**,
set, for front tyres: 175/55 R15; rear
tyres: 195/50 R15.

6-double-spoke alloy wheel

38.1 cm (15"), **design 4**, 1 wheel, for front tyres: 175/55 R15; rear tyres: 195/50 R15.

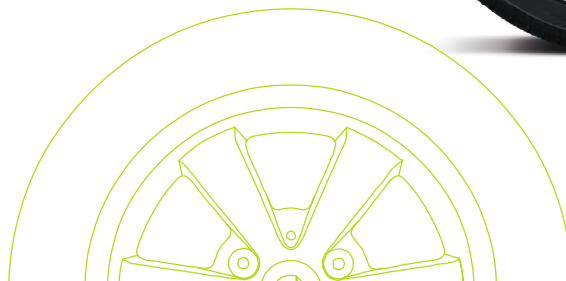

Wheel trim, 1 trim

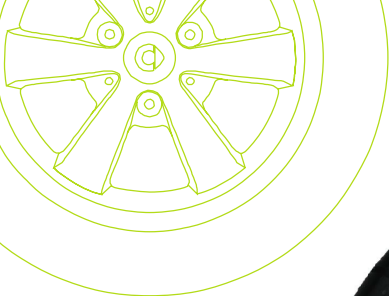

The wheel trim enhances the standard steel wheel and protects the wheel fastening bolts from the elements. An eye-catcher - not just for winter tyres.

3-spoke alloy wheel

38.1 cm (15"), **design 13**, vanadium silver, 1 wheel, for front tyres: 175/55 R15; rear tyres: 195/50 R15.

9-spoke alloy wheel

38.1 cm (15"), **design 14**, titanium silver,
1 wheel, for front tyres: 155/60 R15;
rear tyres: 175/55 R15.

3-double-spoke alloy wheel

38.1 cm (15"), **design 12**, titanium silver,
1 wheel, for front tyres: 175/55 R15; rear
tyres: 195/50 R15.

Safety plus package

Simply practical: as well as an emergency jacket, first-aid kit, hazard triangle, torch, ice-scraper, smart umbrella and a replacement lamp box there is also an extra stowage compartment into which the vehicle manual fits perfectly. All cleverly integrated in the tailgate to maximise space, keeping the luggage compartment neat and tidy.

Breakdown kit

This innovative breakdown kit enables the provisional repair of punctured tyres without having to change the wheel: with tyre sealant and compressor a flat tyre can be repaired quickly, comfortably and cleanly.

Box of replacement bulbs

Did you know that daytime driving lights are mandatory in many countries? Make sure that you always have all the necessary lamps with you - neatly stored in an attractive box featuring the smart logo.

Hazard triangle, fluorescent jacket, first aid kit

There when you need them: well thought-out and simple to use, these three items are always quickly accessible and ready for use. Available in the safety plus package or separately.

Anti-theft protection for wheels, set of 4

Attractive wheels are highly coveted so effective theft protection makes sense. The set for all wheel types includes one bolt per wheel, a security spanner and a code card.

>> A safe journey for your little passengers: Mercedes-Benz child seats.

The child seats are a perfect fit for your smart. The covers of all models are washable and very hard-wearing. Exchangeable covers are optionally available for all seats. **Please note that when Mercedes-Benz child seats are used the passenger airbag must be deactivated manually via the airbag-off switch.***

Child seat BABY-SAFE plus

Child seat for babies – with deep side wings for enhanced safety and protection. With automatic airbag deactivation*, adjustable headrest, detachable cover and extra padding to take any pressure off the back of a newborn child. Attached using 3-point seat belt. Sun canopy and replacement cover available separately.

Snow chains, set of 2

Quick and easy to mount with a perfect fit they ensure that you reach your destination safely in snowy conditions. Ready for use and supplied in a waterproof transport bag.

Child seat KIDFIX

Booster seat for optimum side impact protection with height-adjustable backrest. In addition to the 3-point seat belt KIDFIX is attached with ISOFIX child seat anchorage points. Optionally available with ACSR. For children aged between approx. 3.5 and 12 years.

Child seat DUO plus

Optimum safety for infants aged between approx. 8 months and 4 years (9 – 18 kg). Standard features include Top Tether, an additional belt for fixing the head part, a height-adjustable shoulder belt and ventilation channels. Tilt-adjustable and with ISOFIX anchorage. Optionally available with ACSR.

* If your vehicle does not have an airbag-off switch to deactivate the passenger airbag, you cannot use Mercedes-Benz child seats. Mercedes-Benz child seats have a transponder (ACSR) for automatic deactivation of the passenger airbag; however, this system only works in Mercedes-Benz vehicles.

05 BRABUS

- Interior
- Exterior
- Functional/electrical equipment
- Driving dynamics

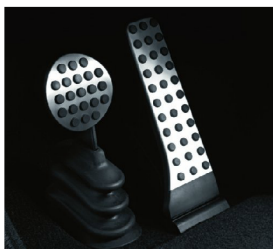

BRABUS velour floor mats, set of 2

Protect the carpet from wet, dirt and wear: these velour floor mats enhance the look of the interior of your smart BRABUS and are also quick and easy to clean.

BRABUS trim for seat console

The high quality trim is tailored to the seat frame and BRABUS lettering adds the perfect final touch. It is primed and can be painted in any colour to match your smart.

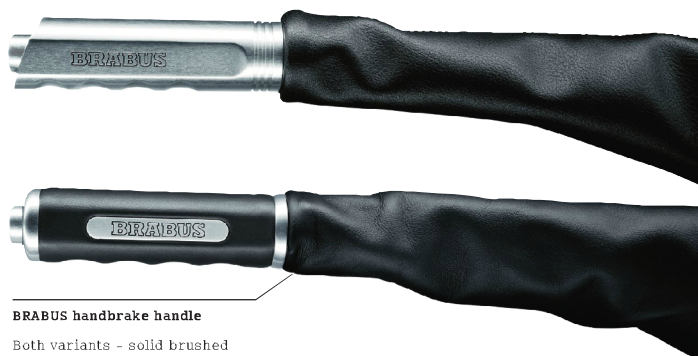

BRABUS sports pedals

These pedals made of matt aluminium create a sporty ambience. Black rubber nubs prevent slipping.

BRABUS gear knob

Matt aluminium with leather trim lends the interior a more sporty and elegant touch – also goes perfectly with the BRABUS hand-brake handle. The gear knob is also available with an integrated starter button (shown above): an attractive and ergonomic highlight enabling starting and shifting in one.

BRABUS handbrake handle

Both variants - solid brushed aluminium or leather with aluminium accents - offer a good grip and enhance the sportiness and elegance of the interior.

BRABUS interior trims in carbon look, set of 8

Consisting of trims and covers for the dashboard instruments, instrument cluster, steering-column stalk, door handles and centre console - lending the interior a sporty and exclusive ambience.

BRABUS interior trims in carbon look, set of 8 (Product text on page 30).

BRABUS rear diffuser

An eye-catching and sporty accessory for the lower rear end section. The rear diffuser is an extremely dynamic trim as used in motorsport for the BRABUS sports exhaust system. Supplied primed, can be painted in all bodypanel colours.

BRABUS sports exhaust system

The two large centrally positioned chrome-plated tailpipes are a source of pleasure in terms of appearance and sound – now that's an exhaust!

BRABUS side skirts

The side skirts add a sporty touch and underline the striking appearance of the tridion safety cell. Supplied primed, can be painted in all bodypanel colours.

BRABUS illumination package for side skirts

If you'd like optimum lighting when getting in and out of the car in the dark – then this package is for you. Linked to the interior lighting, it only works when the ignition is switched off.

BRABUS logo for fuel filler flap

The gleaming black BRABUS emblem is a real eye-catcher.

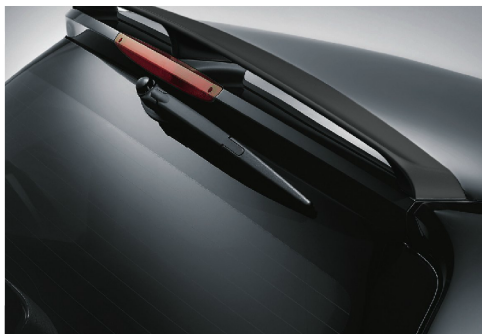

BRABUS front flaps, set of 2

BRABUS front flaps give your BRABUS Xclusive an even sportier look. Supplied primed, can be painted in all bodypanel colours.

BRABUS front spoiler lip

The front spoiler underlines the sportiness of your smart BRABUS and lends it an even more dynamic look as it is perfectly tailored to the smart styling. Supplied primed, can be painted in all bodypanel colours.

BRABUS roof spoiler

Elegantly elongate the roof line of your smart with a discreet spoiler fitted to the tailgate. Supplied primed, can be painted in all bodypanel colours.

BRABUS LED third brake light

Cleverly integrated into the air flow break-away edge of your smart, the third brake light adds even more individuality to the rear end view.

**BRABUS ambient lighting**

Linked to the switching on and off of the interior lighting, creates unobtrusive and practical illumination in the footwell in front of the driver and passenger seat.

**BRABUS wheel bolt covers, set of 12**

Top design right down to the last detail: made of black plastic and embossed with the BRABUS double-B.

**BRABUS luggage compartment lighting, coupé**

Unobtrusively integrated. Find what you are looking for in the luggage compartment even in the darkest of nights.

BRABUS sports steering wheel with cruise control and steering wheel gearshift

Compact steering wheel with a sporty design, diameter 34 cm. A pleasant grip, for precise steering manoeuvres and a dynamic driving feel. Also available as a variant without cruise control operation.

**BRABUS 3-spoke leather sports steering wheel, with steering wheel gearshift**

Ergonomic design with a superb grip and incorporating steering wheel gear shift. For gear shifting Formula 1-style. Offers more control, active safety and dynamic performance, since both hands remain on the wheel while changing gear. Diameter 35 cm.

BRABUS sports suspension

(not shown). Brings your smart a sporty 10 mm closer to the asphalt. Optimised appearance, roadholding and cornering stability. Driving dynamics, improved tracking and greater safety reserves make for even more fun at the wheel.

BRABUS "Monoblock A" package 40.6 cm (16")

The set consisting of BRABUS sports suspension (lowering the vehicle by approx. 10 mm) and 16" BRABUS "Monoblock A" alloy wheels (for front tyres: 175/50 R 16; rear tyres: 215/40 R 16) lend the vehicle a powerful look.

BRABUS "Monoblock VI" package 40.6 cm (16")

Perfectly coordinated for a sporty look: 16" BRABUS "Monoblock VI" alloy wheels in silver (for front tyres: 175/50 R 16; rear tyres: 215/40 R 16) in conjunction with BRABUS sports suspension (lowering the vehicle by approx. 10 mm) and paintable wider rear wheel arches.

BRABUS "Monoblock VII" alloy wheels 38.1 cm (15")

1 wheel, for front tyres: 155/60 R15; rear tyres: 175/55 R15. The exclusive trendy alloy wheels from BRABUS offer even more opportunities for individualisation. Dynamic and sporty: choose between the colour variants silver, high-shine black or deep black.

BRABUS "Monoblock VII" package 40.6 cm / 43.2 cm (16"/17")

With this set consisting of large BRABUS "Monoblock VII" alloy wheels in silver (for front tyres: 175/50 R16, rear tyres: 225/35 R17), the BRABUS sports suspension (lowering the vehicle by approx. 10 mm) and paintable wider rear wheel arches you're sure to draw admiring glances.

46 Only in conjunction with 62/75 kW turbo engine and air conditioning.

Information about fuel consumption and CO₂ emissions

Fuel consumption¹ (l/100 km)	
combined	5,2 – 3,3
CO₂ emissions¹ (g/km)	
combined	119 – 86
Efficiency rating	E – B
'The figures shown were obtained in accordance with the prescribed measuring process (Directive 80/1268/EEC in the currently applicable version). The figures are not based on an individual vehicle and do not constitute part of the product offer; they are provided solely for purposes of comparison between different vehicle models.	
More information on the official fuel consumption figures and the official specific CO ₂ emissions for new passenger cars is provided in the publication "Leitfaden über den Kraftstoffverbrauch und die CO ₂ -Emissionen neuer Personenkraftwagen" ["Guidelines on fuel consumption and CO ₂ emissions for new passenger cars"], which is available free of charge from all sales outlets and from Deutsche Automobil Treuhand GmbH.	

Is a smart fortwo electric drive the car of your choice?
Please contact your smart center to check the suitability of
accessory products for your new vehicle.

Please note: changes may have been made to the products since this brochure went to press in February 2012. The manufacturer reserves the right to make changes to the design, form, colour and specification during the delivery period, provided these changes, while taking into account the interests of the vendor, can be deemed reasonable with respect to the purchaser. Where the vendor or the manufacturer uses symbols or numbers to describe an order or the subject of an order, no rights may be derived solely from these. The illustrations may show accessories and items of optional equipment which are not part of standard specification. Colours may differ slightly from those shown in the brochure, owing to the limitations of the printing process. This brochure has been compiled by Daimler AG of Germany and is distributed internationally. It provides a general indication of the range of models, features, optional extras and/or colours available in various countries. Some of the models, features, optional extras and/or colours may not be available in your country or may only be available in a different specification. Additionally some models, features, optional extras and/or colours may only be available in combination with others.

For current and more specific information in relation to the range of models, features, optional extras and/or colours available in your country, and their pricing, you should contact your nearest smart center.
