05

Ready – for any challenge.

01 Standard basic carrier bars

Set of 2 basic carrier bars for models with standard roof. Screw-fit to designated points in roof channel. Adding an optional 3rd crossbar increases maximum permissible roof load from 100 kg to 150 kg. Usable width: 135 cm.

02 Ladder rack

Attachment, designed to provide a secure way to transport ladders on the basic carrier bars. Simple and quick to fit. Suitable for all Standard basic carrier bars with a diameter of 20 x 30 or 30 x 30 mm.

03 Loading roller for tailgate hinge

Plastic roller as loading aid for long items (e.g. ladders, boards, rods, pipes), designed to be attached to tailgate hinge. Makes it easier to load roof and helps prevent damage to bodywork. Width approx. 135 cm.

Available from 1st quarter of 2015.

04 Loading roller

Plastic roller with side screw attachment, designed as a loading aid for long items (ladders, boards, pipes, rods). The roller is attached to the basic carrier bar. Suitable for all Standard basic carrier bars with a diameter of 20 x 30 or 30 x 30 mm.

05 High-standing bracket set

Prevents items such as rods, pipes or boards from shifting sideways. Simple and quick to fit to basic carrier bars. For all Standard basic carrier bars with a diameter of 20 x 30 or 30 x 30 mm.

01 Rigid trailer coupling

The rigid trailer coupling is permanently attached and always ready for use. The ball neck cannot be removed.

02 Detachable trailer coupling

The detachable trailer coupling is simple to remove and as a result does not affect the vehicle's overall design. The ball neck can be stowed in a holder in the luggage compartment for safe transport.

Electrical installation kits for trailer coupling | not pictured

For your trailer's lighting and signalling systems.

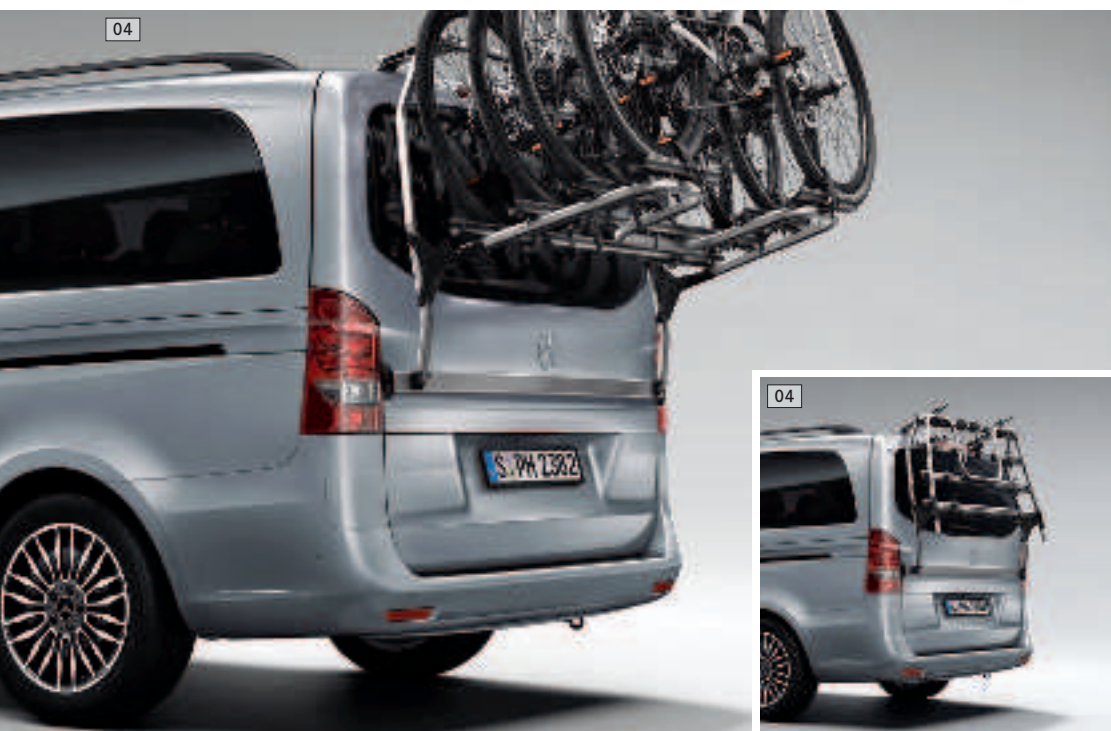

Adapter | not pictured

For trailer with 7-pin plug.

03 Rear-mounted bicycle rack for trailer coupling, folding

Easy-to use, lockable rear-mounted bicycle rack, designed to provide secure transport for 2 or 3 cycles. Rack is easy to attach to trailer coupling, and cycles are equally easy to fit to rack. Maximum payload of up to 30 kg per rail, making rack suitable for most ebikes. The rack is easy to fold for space-saving stowage in the load compartment, at your holiday accommodation or at home.

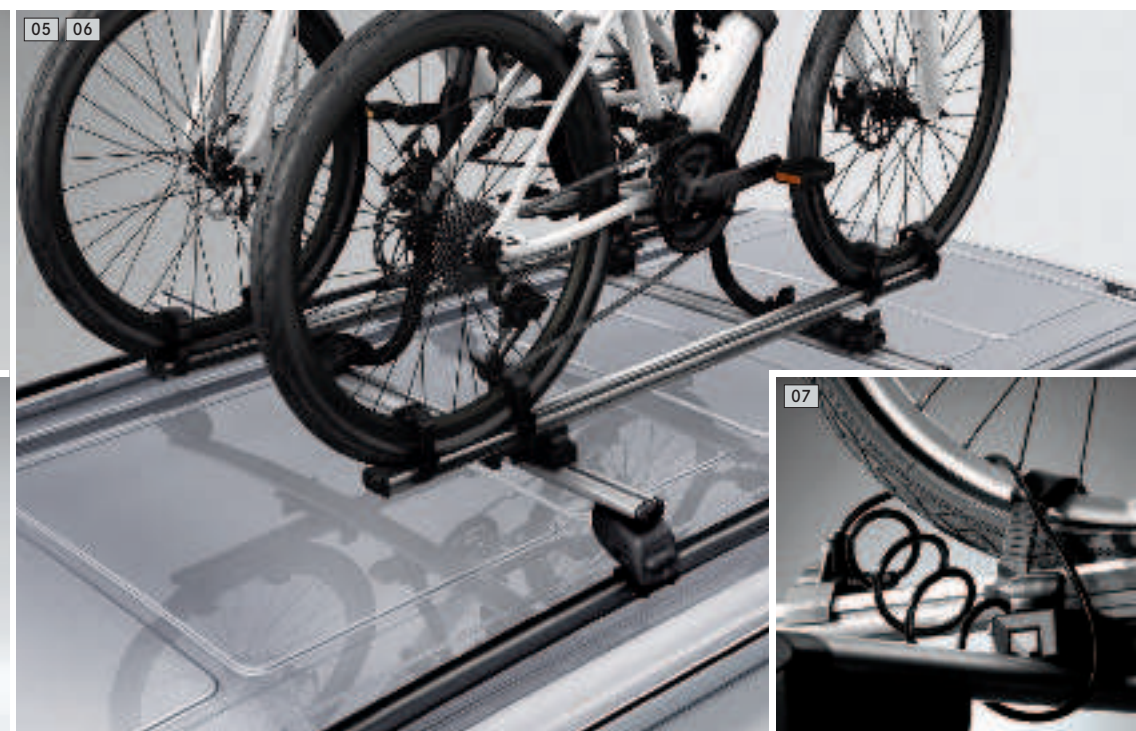

Not for vehicles with rear door.

04 Tailgate-mounted bicycle rack

High-quality anodised aluminium rack, fits quickly and securely to the tailgate. For up to 4 bicycles (or 2 ebikes) of virtually any type or size. The tailgate can still be opened even when the rack is in place. No repeater lights, so no power supply required at rear. Maximum payload: 70 kg. Lockable.

Not for vehicles with rear door.

05 Alustyle basic carrier bars for roof rails

For quick, flexible attachment to the roof rails.

For vehicles with roof rails.

Retrofit roof rails | not pictured

For retrofitting roof rails to models which are not factory-fitted with roof rails. The retrofit kits consist of the roof rails and the required mounting materials. Complete kit, providing a fast, simple way to retrofit roof rails to the standard roof.

06 New Alustyle bicycle rack

Extremely lightweight bicycle rack, designed to be attached to the basic carrier bars. Cycles can either be attached to the rack once it has been fitted to the roof or before it is fitted. Support frame folds down when not in use to reduce drag when travelling without cycles. Suitable for cycles with a max. frame diameter of 98 mm (circular frame tubes) or 110x70 mm (oval frame tubes). Please bear in mind your vehicle's permissible roof load.

07 Coil locks

Available as a separate accessory for the bicycle rack.

01

01

01 New Alustyle ski and snowboard rack "Comfort"

For up to 6 pairs of skis¹ or 4 snowboards. Lockable. Practical pull-out function makes loading and unloading easier.

02 New Alustyle ski and snowboard rack "Standard"

For up to 4 pairs of skis¹ or 2 snowboards. Lockable.

¹ Subject to geometry of skis.

Mercedes-Benz roof boxes

Aerodynamic design, tailored to your Mercedes-Benz. Extremely durable material. Designed for quick, optimised attachment to your basic carrier bars. Boxes open on both sides for particularly easy loading and unloading. Lockable on both sides.

03 Mercedes-Benz roof box 330

Capacity approx. 330 litres. Available in titanium metallic. Maximum payload 50 kg².

04 Mercedes-Benz roof box 400

Capacity approx. 400 litres. Available in matt silver and black metallic. Maximum payload 75 kg². With handle strip on each side for easier opening and closing.

05 Mercedes-Benz roof box 450

Capacity approx. 450 litres. Available in matt silver and black metallic. Maximum payload 75 kg². With handle strip on each side for easier opening and closing.

06 Ski rack insert for Mercedes-Benz roof boxes

Insert for securing your skis – precision-tailored to the internal dimensions of the roof box.

Ski rack insert for roof box 330:

A secure hold for up to three pairs of skis³.

Ski rack insert for roof box 400:

A secure hold for up to four pairs of skis³.

Ski rack insert for roof box 450:

A secure hold for up to five pairs of skis³.

² Please bear in mind your vehicle's permissible roof load.

³ Subject to geometry of skis.

03 04 05

Boxes open on both sides for convenient loading and unloading.

06

01 Shallow luggage compartment tub

A neat solution to protect your luggage compartment from dirt and scratches. Produced in lightweight, robust plastic.

Not for panel van.

For vehicle length A2/A3.

Not in conjunction with Code YG4 (load compartment organiser).

02 Stowage crate

A secure hold for items which are prone to tip over or slide around, e.g. shopping bags. Adjustable partitioning elements allow crate to be divided into max. four sections. Optimum functionality only in conjunction with shallow luggage compartment tub.

03 Deep luggage compartment tub

Keeps the luggage compartment clean and protects it from scratches. Produced in lightweight, robust plastic.

Not for panel van.

For vehicle length A2/A3.

Not in conjunction with Code YG4 (load compartment organiser).

04

**04 Tensioning strap**

Even heavy objects can be secured in place easily using this strap.

05 Tie-down strap

Even heavy objects can be secured in place easily using this strap.

06 Multipurpose box

The practical collapsible box is ideal for shopping and other transport tasks. It can be folded flat, is waterproof and has a load capacity of up to 30 kg. When flat, it can be used as a protective mat.

07 Shopping crate

Anthracite. Collapsible.

05

**08 Spare bulb box**

More and more countries now require the use of daytime running lamps. With this compact box, the bulbs you need for the front and rear lights are always within easy reach.

09 Compact fluorescent jacket

Optimum safety in every situation: this fluorescent yellow jacket with reflective stripes makes you more visible to others. Now rolled for compact stowage and supplied in an individual fabric bag.

10 Charger with trickle charge function

New life for your vehicle's battery: checks, charges and revives your battery – even if it's totally flat. Tailored to your vehicle's complex electronic systems. Available in 3.6 A and 25 A version for all types of lead-acid battery. Also available in a combination 5 A version for all types of lead-acid or lithium battery.

Side window wind deflector | not pictured

Protects against wind and water when window is slightly open.

01

Practical and convenient – perfect for any journey.

01 Becker® MAP PILOT

Transforms your Audio 15 radio into a high-performance navigation system with 3D map views. Becker® MAP PILOT uses the standard-fit 14.7 cm colour TFT display and is conveniently operated via the Audio 15 keypad. The plug-in navigation module can be connected to your PC via USB to download the latest updates and additional services from the Becker® MAP PILOT website.

For details and the latest updates, visit the Mercedes-Benz Shop at shop.mercedes-benz.com

Available in Europe, USA, Australia/New Zealand, Russia and China.

02 Audio 15

The high-performance radio with a range of upgrade options. In addition to FM radio, the standard version of Audio 15 offers a range of options when it comes to taking your favourite music with you on board: it plays all key file formats (e.g. MP3, MP4, AAC or WMA) via SD card and supports Bluetooth® audio streaming from your mobile phone or MP3 player. Optional USB and AUX connections allow you to hook up relevant players directly too.

Audio 15 can also be upgraded to serve as your own communication centre: make phone calls via Bluetooth®, integrate the high-quality Becker® MAP PILOT navigation system or use the 14.7 cm colour TFT display for your reversing camera.

Audio 15 can be operated via the optional multifunction steering wheel. It is linked to your individual VIN to help prevent theft.

03 Audio 10

Radio with telephone keypad, Bluetooth® interface, USB and AUX-IN connections and an SD memory card slot.

01 iPad® Docking Station for rear compartment

This ergonomic, crashproof Docking Station introduces the iPad® and all of its familiar functions to your Mercedes-Benz. All connections, e.g. for your headphones or charging cable, remain accessible. The mount is fitted to the head restraint and can be tilted and rotated around 90°. Available for iPad® 2, iPad® 3 and iPad® 4.

Not in conjunction with Code SH8.

02 Reversing camera

The reversing camera is automatically activated when reverse gear is engaged. It assists the driver when reversing into a parking space. Static and dynamic guide lines show the driver the steering angle and the available clearance.

Only in conjunction with Audio 15.

Available from 1st quarter of 2015.

03 Tachograph

Records all driving and rest periods internally and on personal driver cards in compliance with statutory requirements for optimised electronic analysis.

Only for vehicles with pre-installation for tachograph (Code JV6).

Available from 1st quarter of 2015.

04 CLASSIC all-season mats

Made from robust, washable synthetic material for heavy use. Contemporary design with recessed areas and raised edge. With distinctive Mercedes star logo.

05 CLASSIC rep mats

Durable, extremely hardwearing needle felt mats with embroidered Mercedes-Benz lettering.

06 CLASSIC velour mats

Elegant, high-quality tufted velour mats with embroidered Mercedes-Benz lettering.

07 Coolbox

This box in hygienic, easy-to-clean plastic incorporates a 12 V power connection to ensure constant and reliable cooling even on long journeys. The box can be firmly secured in the load compartment with the aid of the special strap system. It is also easy to carry, using the handy carry straps. The coolbox has a capacity of 16.5 litres.

Seat covers | not pictured

These easy-care, breathable seat covers help keep the seats of your vehicle in pristine condition and retain that clean, tidy look. The stretch polyester covers are a perfect fit and are washable at 30 °C. They do not fade and are crease-resistant and wear-resistant.

Available from 1st quarter of 2015.

Style & Travel Equipment

These head restraint elements are simple to fit and remove. The modular system centres around a base support which can be combined with a coat hanger, a universal hook or a folding table – the choice is yours.

- 01 Base support
- 02 Universal hook
- 03 Coat hanger
- 04 Folding table

Coat hanger not in conjunction with Code SH8.

05 Cup holder

Elegant cup holder for the 3rd seat row. Holds cans and cups within easy reach during your journey. Black.

Writing surface | not pictured

Quality-design clipboard. Its special shape means it can be hooked over the steering wheel, providing a firm writing surface.

Mercedes-Benz child safety

Your vehicle is equipped with automatic co-driver airbag deactivation (special equipment Code SK5). The co-driver airbag is automatically deactivated when a child seat is fitted to the co-driver's seat. All child seats can also be used without the ISOFIX attachment system. Mercedes-Benz child seats are available in the "Limited Black" design.

The covers are washable and very hardwearing. Optional replacement headrest covers are available for the "BABY-SAFE plus II", "DUO plus" and "KIDFIX" child seats in flannel grey [09] and chilli red [10].

06 "BABY-SAFE plus II" child seat

Deep, moulded seat design offers extra side-impact protection for optimum safety. Special padding, designed to protect particularly vulnerable body areas of children up to around 15 months (up to 13 kg).

07 "DUO plus" child seat

Optimum safety for children between the ages of around 8 months and 4 years (9 to 18 kg). Fitted as standard with top tether, an additional belt for securing the head section, a height-adjustable harness, ventilation channels and ISOFIX attachment points. Adjustable tilt.

08 "KIDFIX" child seat

Booster seat for optimum side-impact protection, with height-adjustable backrest. The "KIDFIX" seat is secured using the 3-point seat belt and ISOFIT attachment points. For children between the ages of around 3.5 and 12 (15 to 36 kg).

09–10 Headrest covers

Available for the "BABY-SAFE plus II", "DUO plus" and "KIDFIX" child seats in flannel grey [09] and chilli red [10].

Hub caps

Protect the hub from dirt. Available in the following versions:

- 05 himalaya grey with chrome star
- 06 titanium silver with chrome star
- 07 classic roadster design in black
- 08 classic roadster design in blue
- 09 black with chrome star

10 Valve caps, black

Stylish highlights in a new design. Protect the valves from dirt. Set of 4.

11 Rim locks, silver

Protect your valuable light-alloy wheels from theft. Set consisting of coded key and one lock per wheel.

Available from 1st quarter of 2015.

12 Tyre pressure gauge

Allows you to carry out a quick tyre pressure check on the road or at home. Keeping tyres at the optimum pressure saves fuel and reduces tyre wear. Suitable for all motor vehicle tyre valves and for cycle valves. Supplied with leather pouch.

13 Quick-fit snow chains

High-performance chain for the toughest of conditions and excellent traction on snow and ice. Easy to fit – fastens on outside.

14 RUDmatic DISC snow chain

High-performance chain for the toughest of conditions and excellent traction on snow and ice. Easy to fit – fastens on outside.
